In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

A Window Across The River

A Window Across the River. Isaac and Nora haven't seen each other in five years, yet when Nora phones Isaac late one night, he knows who it is before she's spoken a word. Isaac, a photographer, is relinquishing his artistic career, while Nora, a writer, is seeking to rededicate herself to hers. Morton is particularly skilled at describing the sharp rattle of artistic failure, and at bringing to life the streets and rooms of New York, where the fates of his lonely and desperate characters unfold. In *A Window Across the River*, author Brian Morton raises a question most writers ask themselves at some point: is it OK to follow your muse when the artistic result may hurt your loved ones? Nora struggles constantly with this issue--it seems her best
