Rare. No dust jacket. The Duo Code was one of several code systems used to save on the cost of cablegrams (which charged on a per-word basis) by converting phrases and sentences into four- or five-letter codes. It was developed by A.C. Meisenbach of San Francisco, who had previously developed the widely-used ACME Commodity and Phrase Code.

30 reviews of Acme Auto Electric & Repair "Great experience for me. Went in with the brush block from my tractor starter, which had fried a brush lead. The starter is a Hitachi from very few applications, and parts for it are scarce. They were very busy when I walked in, and it took a loooong time to speak to one of the two guys working the counter.
