TO's are controlled documents, most are secret I believe. We're not allowed to have TO's we don't actively use, for example as an F-16 mechanic they wouldn't give me access to F-15 or C-5 TO's just because I asked, and if I was avionics they wouldn't give me sheet metal's TO's, etc. Speak with your TODO as the others have said.

Where can I find Technical Orders? : AirForce

This document will be used in the production and review of Air Force 33K-series Technical Orders, with the intent of providing technical orders written to a level that an inexperienced troop can perform the tasks with minimal supervision. This is to be a living document to be revised whenever there is a need.
