### **American law in the 20th century (eBook, 2002) [WorldCat.org]**

The Twentieth Amendment (Amendment XX) to the United States Constitution moved the beginning and ending of the terms of the president and vice president from March 4 to January 20, and of members of Congress from March 4 to January 3. It also has provisions that determine what is to be done when there is no president-elect. The Twentieth Amendment was adopted on January 23, 1933.

### **Twentieth Amendment to the United States Constitution ...**

For the average reader with an interest in American history and institutions, this is a fine book - not necessarily riveting, but a unique and commendable overview of American law in the 20th century. Young lawyers, law students and pre-law students probably have much more to gain from the book than other readers.

The Early Years of American Law. From the time of the American Revolution (1775-83) until the early part of the twentieth century, pieces of the American criminal justice system gradually came together to include courts, professional policing, and prisons at the federal and state levels. A criminal justice system is the collection of public agencies including the police, courts, and prison ...
