Introduction to Community Development | SAGE Publications Inc

Introduction to Community Development is the first in a series of courses that will introduce you to the concept of community development, what you need to do to get a community group started and how to organise a community group to take action.

Introduction to Community Development | Alison

Introduction If it is accepted that the distinguishing characteristic of community development is the educational process by which people change themselves and their behavior, and acquire new skill and confidence through working in cooperation, we must then examine the method used to stimulate this process by community development workers.
