Both the Anatomy and Medical Terminology Courses are recommended for students taking any coding or billing course. These 2 courses must be completed within a 4 month period, however AAPC allows for an additional 2 month grace period, giving you a full 6 months access from the date of purchase.

Online Medical Terminology Anatomy Bundle - AAPC

Much like anatomy and physiology, learning medical terminology is not something you can summarize in one simple video. You'll need to know your ectomies from your otomies (as you've probably already seen in the prior courses), and it's very helpful to familiarize yourself with the common prefixes and suffixes common to the medical vocabulary.
