### **Baby Led Weaning Recipes | Annabel Karmel**

I was expecting a book of simple baby-led weaning balanced meal ideas for my baby. This book has fancy recipes that require too many ingredients and are far too time consuming and complicated for preparing for a baby on a daily basis. This book is for someone that likes spending all day in the kitchen cooking and cleaning up.

"I liked the idea of baby-led weaning but I also wanted to feel confident that I was giving my baby the best nutrition. Having a little one made it extra difficult to go along to an actual course. Instead, this digital course was perfect. It had all the advice I needed and I could easily work through the chapters during Atticus' naps.

## **Annabel Karmel Baby Led Weaning Book Review - Then I ...**

Baby-led weaning is becoming a popular way to wean your baby. Unlike traditional weaning, which starts off with smooth purees and spoon feeding, the idea behind baby-led weaning (BLW) is to let your baby take the lead and feed themselves from six months onwards, trying finger foods and lots of different tastes and textures.
