The following table comes directly from the BABOK® Guide v 3 Proposed Draft. Tools and Techniques. The biggest concern I have with the BABOK® Guide v 3 proposed draft is the increase in the number of tools and techniques, from 34 to 46. I believe the greatest test of the value of a business analyst comes from the core competencies that they possess, including their ability to learn and think outside of the box, not the number of specific tools they have in their toolkit.
