To Barcelona, architecture is so much more than just Gaudi. Architects from around the world flock to the city to visit much of its more modern architecture. I spoke to Sheffield based architect, Sarah Considine, for her thoughts on Barcelona's modern architecture and a list of her favourite modern buildings.

Mies van der Rohe designed this chair for his German Pavilion at the Barcelona Exposition of 1929. The Pavilion was the site of the inaugural ceremony for the German exhibits at the exposition, and the Spanish king was to preside. It had to be an "important chair, a very elegant chair," according to the architect.
