MAJOR FIELD TESTS

Exit exams are computer-based comprehensive undergraduate and M.B.A. outcomes assessments designed to measure the critical knowledge and understanding obtained by students in a major field of study. Undergraduate Biology, Business, Chemistry, Computer Science, Math, Physics, Political Science majors and MBA graduate candidates are administered the Major Field Test (MFT), respectively.

Major Field Tests (MFTs)

The tests are two hours in length, with the exception of the MBA test which is three hours, and questions are multiple choice. If your institution is giving a Major Field Test, they will notify you directly via email of the testing location. You do not need to pay for this test, as costs are covered by the administering college or university.

How Do I Prepare for the ETS Major Field Test? - Computer ...

So I didn't study much, but I am in senior year of a bio major so I had studied a lot of it in the past. I thought the material was much more specific than the MCAT, and seemed to focus on only a few subjects (plants were big on the test I took). I felt like I was doing poorly throughout the test, but I ended up scoring in the 98th percentile.

ETS Biology Major Field Test : premed
