Your business plan is the foundation of your business. Learn how to write a business plan quickly and efficiently with a business plan template.

**Write your business plan**

Opportunity. There are four main chapters in a business plan—opportunity, execution, company overview, and financial plan. The opportunity chapter of your business plan is where the real meat of your plan lives—it includes information about the problem that you’re solving, your solution, who you plan to sell to, and how your product or service fits into the existing competitive landscape.
