## **Carter Burwell on Apple Music**

The token track from the score, "Love Death Birth" uses bits from Carter Burwell's original Twilight score. I'm eager to hear what he's done for the whole score when the movie comes out. I am tempted to want to knock half of a star off (if that were possible) from the overall rating because of the last track, which is just an instrumental version of "All Yours" from the Eclipse soundtrack.
