Confucianism is embedded in Chinese culture and places value on education at societal, familial, and individual level. We also examined Asian parenting style and its association with children's academic achievement. In our qualitative study, semi-structured interviews were conducted, including individual interviews and a focus group session.

Confucianism, Chinese Families, and Academic Achievement ...

Values-Women. Women throughout Ancient Chinese history are known to be the dominated group, Confucius agreed with these ideas. He believed that women belonged to the inner realm of life. The inner realm was housework, cooking, babies, foot binding and pleasing their husbands.

Confucianism values and Beliefs - Ancient China: Confucianism

Confucianism believes in ancestor worship and human-centered virtues for living a peaceful life. The golden rule of Confucianism is "Do not do unto others what you would not want others to do unto you." There is debate over if Confucianism is a religion. Confucianism is best understood as an ethical guide to life and living with strong character.

Confucianism | National Geographic Society

In the West we divide the public from the private, but by working on the family, Confucius believed a ruler could cure all the problems of society too. Since the term "family values" was captured by the far right, I hesitate to use it, but Americans of all political persuasions have begun, in the late 1990's, to come around to Confucius's conviction.

Confucius and the Confucian Family System

Although it is an exaggeration to characterize traditional Chinese life and culture as Confucian, Confucian ethical values have for well over 2,000 years served as the source of inspiration as well as the court of appeal for human interaction between individuals, communities, and nations in the Sinitic world. The thought of Confucius

Confucianism, Reversed In contrast to previous perceptions of institutional elderly care, modern Chinese family values view elderly homes as superior 24/7 care facilities. In fact institutionalizing an elderly family member has become a luxury which humble Chinese families are proud to provide their relatives, but never boast of.

Modern Chinese Family Values and Caregiving

Family values, despite being a social issue, influence several domains because of the importance attributed to them in Chinese culture. Chinese couples are often responsible for providing for extended families, and therefore they are forced to look for better opportunities to earn away from home.

Chinese Family Values: How They Affect Life in China

Confucianism is often characterized as a system of social and ethical philosophy rather than a religion. In fact, Confucianism built on an ancient religious foundation to establish the social values, institutions, and transcendent ideals of traditional Chinese society.
