### Crisis Intervention - Addiction Search

The Crisis Intervention Team (CIT) program is a community partnership of law enforcement, mental health and addiction professionals, individuals who live with mental illness and/or addiction disorders, their families, and other advocates. It is an innovative first-responder model of police-based crisis intervention training to help persons with mental disorders and/or addictions access medical treatment rather than place them in the criminal justice system due to illness-related behaviors.

### CIT International - What is CIT?

Sometimes a standalone intervention, the crisis intervention is primarily direct in form. These interventions are highly important for those who find themselves in emergent situations where time is not a luxury. Crisis interventions are suitable for addicts, people suffering from mental health breakdowns, or those dealing with both.
