If you answer yes for any of the questions, Data Science Interviews Exposed is a book you absolutely want to read. Why? This book is written by data science professionals from Facebook, LinkedIn, Amazon, Google and Microsoft, with years of first hand working and interviewing experience.

### **PDF Download Data Science Interviews Exposed Free**

However, considering that this isn't "Data Science Education Exposed," I suppose it doesn't matter very much. Also, the introductory linear algebra course work cannot possibly give a student enough knowledge to tackle a real ML textbook, so more is required to be written on the mathematical background/education required for a data scientist.
