Project MUSE - Democracy Abroad, Lynching at Home

Democracy Abroad, Lynching at Home may appear to be a curious addition to the scholarship on lynching. The book focuses on only four lynchings that occurred in Florida during the 1940s, when the practice was rapidly declining and in a state that does not loom large in the public memory of lynching. But Tameka Bradley Hobbs makes a convincing argument that these lynchings reveal important insights into the evolution of white supremacy in twentieth-century America.

Democracy Abroad, Lynching at Home: Racial Violence in ...

Throughout Democracy Abroad, Lynching at Home: Racial Violence in Florida, Hobbs emphasizes how the wartime transnational context—one in which the U.S. was fighting a world war and then began a cold war abroad ostensibly in defense of democratic values—helped shape local, national, and international responses to lynching in the Sunshine State.
