Deviant is a gripping story of true crime, an investigation into the history and mind of Ed Gein, one of America's most notorious serial killers and the inspiration for Psycho, Texas Chainsaw Massacre, Silence of the Lambs, and of course Slayer's "Dead Skin Mask.". This book is deeply disturbing and quite fascinating.

However, there are no exaggerations other than what newspaper and television

journalists made up, which the author graphically describes with barely concealed snickers, well-deserved in my opinion.
