The Anunnaki (also transcribed as Anunaki, Annunaki, Anunna, Ananaki, and other variations) are a group of deities who appear in the mythological traditions of the ancient Sumerians, Akkadians, Assyrians, and Babylonians. Descriptions of how many Anunnaki there were and what role they fulfilled are inconsistent and often contradictory.

Anunnaki - Wikipedia

In 1953, James Watson and Francis Crick reported that they had discovered the structure of DNA (deoxyribonucleic acid) – the molecule that genes are made of. This discovery would transform the life sciences – from biochemistry and agriculture to medicine and genetics. It had all started much earlier, in 1859, when Charles Darwin published his book, “The Origin of Species”. He had ...
