item coding • Assessment nurses serve as gatekeepers to ensure that what they hear/learn/know is documented to avoid leaving reimbursement • Educating nursing and reviewing documentation support with nurses can be very helpful

Nursing Documentation and PDPM: Addressing the Crossroads ...

The majority of nursing documentation within the electronic record is consistent with data entry, as many systems offer discrete fields in flow sheet rows and columns instead of free text. This type of nursing documentation omits valuable aspects of patient care, creating several gaps and inconsistencies in the patient's overall clinical picture.
