User manual Drayton Digistat RF2 (2 pages)

Hi, I recently purchased a Drayton T720R. I have just got round to wiring it up to a Worcester 24ri and the programmer/receiver is just a straight swap with the existing Drayton LP722 with no wiring changes required but with the wired room thermostat disconnected and using the new wireless thermostat the heating will not come on.

Drayton T720R Wiring Help | DIYnot Forums

The wireless room thermostat works with the voice assistants Amazon Alexa and the Google Assistant. Just say 'Alexa, set the living room to 21°C' when you want your heating adjusted, or you can turn hot water on or off. You can also add functionality for more automation, like geofencing using IFTTT integration.
