## Effective Devops Building A Culture

It has a liberal focus on the presumed importance of team (and workforce) diversity (ethnic background, race, gender, sexuality, age, etc.) and its centrality to creating a devops culture. This belief sets the mood of the entire book, from the topics, to the tone, to the writing style.

## Effective DevOps: Building a Culture of Collaboration ...

Devops is a cultural movement that seeks to change how individuals think about work, value the diversity of work done, develop deliberate acceleration of business value, and measure the effect of social and technical change. Devops is a way of thinking and working that enables individuals and organizations to develop and maintain sustainable work practices and a cultural framework for sharing stories and developing empathy,
