Most of the ebooks are available in EPUB, MOBI, and PDF formats. They even come with word counts and reading time estimates, if you take that into consideration when choosing what to read.

Engineering Drawing Book By Dhananjay

A fantastic textbook to learn the basics of Engineering Drawing. Presentation of topics is well organized that helps to build up concepts in a flow. The content is concise but to the point and to the extent that is required for a solid understanding by passing any unnecessary elaboration or myriads of similar solved examples as in some other bulky books I have come across.
