Read Free Epic Change How To Lead Change In The Global Age

EPIC Change is the hands-on resource written for any leader who is charged to lead change in a turbulent environment. The EPIC (Evaluate, Prepare, Implement, and Consolidate) approach for change management draws on the research-based "power curve of change." As Timothy Clark explains, change fails less often for poor strategy or technical difficulty. Rather, it is a leader's inability to draw out the discretionary efforts of people that usually signals failure.

Lead themselves, their teams, and their organizations through successful change by applying (1) a change roadmap, (2) tactical tools, and (3) critical behaviors and skills. Help individual employees manage the personal transition of change, overcome resistance, and support change out of commitment rather than compliance.

LeaderFactor | EPIC Change

Participants learn how to apply 12 powerful and field-tested tools to help them lead change initiatives across the four EPIC stages: In addition to the EPIC stages, participants identify and prepare for the three "natural transition events"—approval, launch, and critical mass—that separate the four stages, as well as the conditions necessary to progress from stage to stage.
