A. Race and Ethnicity. When discussing racial and ethnic inequalities, perhaps it is best to first cite the difference between the two. Within the sector known as public health, there is often disagreement over the correct usage of the term "race." The mistake often made by both scientific specialists and the general public is that race is based upon the idea that human beings can be separated ...

### Understanding Race and Ethnic Inequality in Sociological ...

The covid-19 pandemic has revealed the depth of social and racial inequalities in the United Kingdom. These inequalities existed long before the pandemic, but they have taken on a greater significance in the past few months. Perhaps this is a direct result of the death of George Floyd and the ongoing Black Lives Matter protests, which have brought inequalities and institutional bias to the ...
