However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

Feminism A Beginner S Guide

I'm not sure I would describe this as a beginners guide. Yes, there are definitions of the various types of feminism and the 'waves', but it is much more than that. By using real examples to highlight how different feminists would take different types of action, it brings to life the various branches and shows that no one school of thought has the definitive answer.
