'His First Flight' by Liam O' Flaherty is a true parable about overcoming fears in life. Every journey of a thousand miles begins with but a single step. But that single step is the most difficult one to make. Conquer the fear and venture forth; and we realize that we were born with wings.

His First Flight by Liam O' Flaherty: Summary and Review ...

Kite flying in China dates back to several hundred years BC and slowly spread around the world. It is thought to be the earliest example of man-made flight. Leonardo da Vinci 's 15th-century dream of flight found expression in several rational but unscientific designs, though he did not attempt to construct any of them.

History of aviation - Wikipedia

His First Flight – Introduction. The story by “Liam O’ Flaherty” is an account of a young bird that is afraid to fly for the first time. He believes that his wings would not support him. Despite his younger siblings flying fearlessly with much shorter wings, he could not gather the courage to do the same.

His First Flight Class 10 Summary, Explanation, Questions

The Wright Flyer (often retrospectively referred to as Flyer I or 1903 Flyer) was the first successful heavier-than-air powered aircraft. It was designed and built by the Wright brothers. They flew it four times on December 17, 1903, near Kill Devil Hills, about four miles (six kilometers) south of Kitty Hawk, North Carolina.
