Since 1998, volleyball has been using a new scoring system. Teams scored a point on every rally (Rally Point System), regardless of which team served.

Formerly, a team could only win a point if it served the ball. Winning the serve back from the opposition was known as a side-out. Matches are played best of five sets.

Futsal Tactics: 3×2 System The 3×2 Tactical System in Futsal happens when the goalkeeper (Fly Goalkeeper) leaves his zone to participate in attack moves of his team. Usually, the goalkeeper is replaced by an outfield player, in order to make this system more efficient offensively.

Futsal Tactics: Positions and Systems

In Volleyball rule UK, the team winning a rally scores a point (Rally Point System). Winning a rally gains you a point and the right to serve. All players will then rotate one position clockwise afterwards. Volleyball regulation games get played to 25 points but teams must win by two clear points. Thus, the game continues if the scores reach 24-24.
