Medieval England gives an excellent brief look at what was eaten in Medieval England, where the food came from (grown or imported), how it was prepared and some of the laws regulating food sales and food production in the cities. It has chapters focusing on the diet of village peasants, city folk and the nobility.

P.W. Hammond**

Engagingly written and fully illustrated, *Fast and Feast* explores the medieval approach to food, its preparation, and its presentation. Since attitudes toward food were shaped by the religious and social ideas of the period, the medieval perspective is clearly developed for the modern reader and, in turn, sheds light on the character
