performed during a match, and may concern one's team or the opponent, or even a single athlete. Data are collected and selected by means of the analysis of the events occurring in the different phases of the match.

Match Analysis Method | YouCoach

How we analyse football matches. Tactical analysis in football is nothing new. Coaches in places like England, Austria, and Hungary would sit down in cafés to talk tactics even during the early stages of the game's development. With the birth of the internet and the mass globalization of football, people have been able to share their ideas ...
