Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

Ford Falcon Au Ii Lpg

The Ford Falcon (AU) is a full-size car that was produced by Ford Australia from 1998 to 2002. It was the sixth generation Ford Falcon and also included the Ford Fairmont (AU)—the luxury-oriented model range. The AU series replaced the EL Falcon constructed on the previous generation architecture, and was replaced by the updated BA series.
