FOREIGN POLICY ANALYSIS - Rutgers University

This chapter discusses the impact of international politics on the rise of populist parties as well as the impact of populism on the foreign policy of the countries in which populist parties are present. It argues that the end of the Cold War, the advent of globalization, and the impact of regional organizations (e.g. the European Union) presented opportunity structures that facilitated the ...

Populism and Foreign Policy - Oxford Handbooks

Foreign policy analysis is necessary to improve our overall understanding of the government and the political decision-making processes that play out on the world stage. Each approach to diplomacy offers a unique set of potential drawbacks and benefits, and emphasizes the importance of the political actors and structures involved and how they work to attain their foreign policy goals. Handbooks and Guides

This introductory chapter defines foreign policy analysis (FPA). At the crossroads between the theories of international relations and public policy analysis, FPA draws on multiple disciplines. Few fields of study have embraced disciplines as varied as sociology, economics, public administration, psychology and history with the same enthusiasm.
