I totally loved this book. It's all about how a turtle got its shell. It takes lots of cultures stories and made them come to life with colorful pictures. I thought it was interesting and really enjoyable to read. It lets you exercise your imagination. Something I don't think we do enough as adults.

How the Turtle Got Its Shell by Justine Korman Fontes

Before the turtle got its shell, it was not very pretty, as it was quite similar to a green blob. All the other animals laughed at the turtles. One particular turtle named Hermes was the most offended out of all the turtles. Hermes saw this as a very difficult problem to get over. He explained the problem to his friends and family.

How The Turtle Got Its Shell, Short Story | Write4Fun

Turtles live in the river. But Turtle didn't land in the water the way he thought he would. The wolves threw him so hard, he went spinning end over end as he fell. And landed on his back on a rock in the middle of the river, and then he bounced into the water. As Turtle swam to the other side of the river, he could feel his back shifting and moving.
