To make the blade, fold a square of paper in half diagonally twice to make a small triangle. Then, unfold it once and fold the edge of 1 side of the paper to the middle. Keep folding until you can't fold anymore, then tuck the extra paper at the bottom inside the blade. It should resemble a tall, skinny triangle. To make the handle, simply roll a larger square paper into a thin tube. Insert the end into the open bottom of the blade and secure it with a piece of tape.
