I: Reality and Subjectivity by David R. Hawkins

Description. I: Reality and Subjectivity concludes the presentation of a long-predicted major advance in critical human knowledge. It explains and describes the very substrate and essence of consciousness as it evolved from its primordial appearance as life on earth on up through evolution as the human ego, and hence, to the ego's transcendence as the spiritual Reality of Enlightenment and the Presence of Divinity.

I : reality and subjectivity (Book, 2003) [WorldCat.org]

I: Reality and Subjectivity explains the very essence of consciousness as it evolved from its primordial appearance as life on earth, on up through evolution as the human ego, and hence, the transcendence of the ego as the spiritual Reality of Enlightenment and the Presence of Divinity. The uncommon clarity and lucidity with which the highly evolved subject matter is presented facilitates the reader's understanding and comprehension.

Much of the last 2 centuries of modern medicine has been spent on eliminating subjectivity in medicine. This concerted effort to minimise clinician and patient subjectivity (and thereby bias) has led to one of the most remarkable breakthroughs of modern medicine—the randomised controlled trials (RCTs). While RCTs are highly effective in evaluating objective findings and ‘hard’ end-points ...
