This is excellent book for teachers of IB
Biology, but if it is issued to students
they will need either additional material
from a range of other sources, or an
additional textbook of some form. The
title of the book makes it clear it as a
"course companion" ie it needs
company!

exams, too.) Stay up to date with the latest information on what this means for IB diplomas, course credit for IB classes, and more with our IB COVID-19 FAQ article. IB Biology SL and HL Core. Both IB Biology SL and HL consist of the same core requirements (95 hours).

The Complete IB Biology Syllabus: SL and HL

The book is an excellent course book for both IB standard and higher level biology. It matches the IB course outline quite well and in any case it is also a helpful preparation for the first year of University. (That is if you intend to study Biology or related subjects of course). It is not yet outdated so I'd definitely recommend it to ib students.
