Icom commercial radios rock and the F3S/F4S is no exception Time Owned: 6 to 12 months. I have both the F3S and F4S and they are superb radios. The F3S has been showing up alot lately on Ebay and most are in the desired 136-150MHz split, ideal for ham, as these are surplused military radios.

eHam.net

Consult your Icom dealer or system operator for details concerning your transceivers programming. If the programmable function names are bracketed in the following explanations, the specific switch used to activate the function depends on programming. CH UP AND DOWN KEYS • Select an operating channel.
