List of International Harvester vehicles | Tractor ...

International Harvester continued to refine their small tractor line with several follow-on models. The famous letter series tractors, including the A, B, H and M began production in 1939. IH produced many tractors during their reign and were ranked as one of the largest manufacturers of farm tractors.

International Harvester - Heritage Farm Power

IH Farmall Tractors. International Harvester (IH) began the decade of the 50s as the dominant tractor manufacturer in the world, and they continued to introduce new and better models through the '60s. But internal problems hurt their sales and IH slipped from number one in market share to number two behind John Deere by the end of the '60s.
