#### LibrisNotes: Illegal by Bettina Restrepo

Bettina Restrepo's gripping, deeply hopeful debut novel captures the challenges of one girl's unique yet universal immigrant experience. (from GoodReads) Review: I was intrigued by the synopsis of *Illegal* because I think illegal immigration is an issue that divides a lot of people and always ends up being the subject of every presidential debate. Regardless of your views on this important topic, it's always good to read about the people who are affected by this the most - the actual immigrants.
