Anxiety

Therefore, truly, your reality is an illusion of your mind. It is your mental construct, which you use to add meaning and structure to your life and identity. Thus, the illusion of reality becomes the reality in the human mind, while the reality that originally induced it remains completely or mostly unknown.

### Reality The **Illusion of Reality - Hindu Website**

The inner world is fertile ground for illusions to take root which then get projected into the world, thus influencing the perception of others about reality. These distortions, in the realm of reality, have no purpose other than for distraction and delusion. So how can we know if illusions are creating reality?
