Currently, The Legend of Zelda: Breath of the Wild, one of the two most popular games available for the console, can be played at its best on PC thanks to Cemu, a Wii U emulator for which the game was also released . So much so, that you can play currently in 4K at 60 fps, while Switch, its "best" version, only reaches 30 fps to 900p.

Immortal Realms: Vampire Wars for Nintendo Switch ...

Immortal Realms: Vampire Wars blends turn-based, RPG action with some card play. You get to build a deck of cards which are dealt out in random order during the game and can be used to buff units or armies. This can be enough to turn a battle in your favor.
