In The Presence Of Mine

In the Presence of Mine Enemies is a 2003 alternate history novel by American author Harry Turtledove, expanded from the eponymous short story. The title comes from the fifth verse of the 23rd Psalm. The novel depicts a world in which the United States remained isolationist and so did not participate in the Second World War, thus allowing a victory to the Axis powers, which divided the world among themselves. However, some years after the war, the Third World War occurred and featured the Axis p
