let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

For anyone looking to find a car that will give them performance at a price they can afford, Kia is a contender. Of course, there is no such thing as a car without faults – at least over time. The truth of the matter is that any car will develop little niggles every once in a while, and over time it is inevitable that this will develop from a small problem to a big one if no work is done to
