Hacking: The Ultimate Beginners Guide by Max Green

According to the most recent statistics, the average Bachelor's degree recipient will leave college with nearly \$30,000 in student debt. But that figure doesn't include parent debt. Among parents who borrowed to help pay for their child's education, the average debt load was over \$37,000. And that's per Bachelor's degree graduate, so parents with multiple college-attending kids could end up ...
