08 by none other than a German designer named Georg Luger. The P-08 was ultimately produced in a 4" barrel version and is known as the Army Model. In its 6" barrel version it is known as the Navy Model and in an 8" barrel version it is known as the Artillery Model. In addition, there is the famous Luger Carbine, albeit rare.

The advent of the Internet has both changed things quite a bit for collectors, and turned up the heat on this subject. One can now buy a holster from Russia, a lanyard from Australia, and Luger manual from Jamaica. The bad news is that what you can find up for auction, others can find up for auction. When you win an online auction, congratulations!
