Luther Gulick Public Administration And

Luther Halsey Gulick (1892-1993) was an American political scientist, Eaton Professor of Municipal Science and Administration at Columbia University, and Director of its Institute of Public Administration, known as an expert on public administration

Luther Gulick (social scientist) - Wikipedia

The late Luther Gulick (1892-1993), often known as the dean of U.S. public administration, left behind him an enormous and wide-ranging literary corpus, but no single systematic work. This essay presents both a personal and an intellectual portrait of Gulick. The personal portrait is accomplished primarily through Gulick's own words derived from relevant published works, autobiographical fragments, and a series of interviews with the author.

Span of Control and Public Organizations: Implementing ...

POSDCORB is an acronym widely used in the field of management and public administration that reflects the classic view of organizational theory. It appeared most prominently in a 1937 paper by Luther Gulick. However, he first presented the concept in 1935. Initially, POSDCORB was envisioned in an effort to develop public service professionals. In Gulick's own words, the elements are as follows: Planning, Organizing, Staffing, Directing, Co-Ordinating, Reporting and Budgeting.

POSDCORB - Wikipedia

CUNY TV host Ari Goldberg and his camera toured our historic Institute of Public Administration Collection and Luther Gulick Papers, focusing on Gulick's efforts to reorganize the chaotic executive branch for President Franklin Delano Roosevelt, his World War II relief work, and postwar Reparations missions to Germany and Japan.
