How inequities hurt our cities. Systemic racism and classism harm not only people but the Earth's health and biodiversity, says UW Tacoma assistant professor Christopher Schell, lead author on a new review paper that calls on scientists to change their practices.

UW Homepage - University of Washington

The Common Core in literacy, speaking & listening, and mathematics require a shared responsibility for instruction from all teachers in all content areas. The district required professional development in Common Core of all teachers, including those who teach students in English Language Learners, Special Education and Advanced Learning programs.
