It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

When we are preparing a coachee for the session in which we'll debrief their EQ Profile results, we ask them to recall and bring to the session 2-3 specific stories of interpersonal conflicts. We use the narrative in the coachee's stories to map to the patterns revealed in their EQ Profile. The EQ Profile reveals patterns of thinking, feeling, wanting, sensing and focusing that are vestiges of adaptive strategies spawned by our lifetime of relationships and experiences.
