Hello All, I recently aquired a older Nicolet 3091 Digital scope and I am having some fun trying to get it up and going, but I am having trouble finding any good resources online as far as a downloadable owners/operator manual, and/or service manual. I've done multiple searches, but only found spam links and junk.

-Stan Skaggs 3 years ago: 3 years ago How to validate dopplar is working properly using 2Mhz or 3Mhz probes I am trying to validate the operation of a pocket dop II unit which uses a 2Mhz and 3 Mhz probe interchangeably in terms of normal pregnancy and obese pregnancies. My nurses complain all the time this unit is not sensing beats, but I check with gel and rubbing on it and seems fine to me.
