Journal of Family Nursing (JFN) is a peer-reviewed, quarterly journal of nursing research, practice, education, and policy issues, as well as empirical and theoretical analyses on the subject of family health. Its interdisciplinary, international, and collaborative perspectives examine cultural diversity and families across the life cycle.

### Journal of Family Nursing: SAGE Journals

A nursing diagnosis is a clinical judgment concerning human response to health conditions/life processes, or a vulnerability for that response, by an individual, family, group, or community. A nursing diagnosis provides the basis for the selection of nursing interventions to achieve outcomes for which the nurse has accountability.
