Created by the team at PebblePad, the nifty PebblePocket app allows you to continue to create evidence, reflections, and records even when an internet connection is proving elusive. You can use the app to work offline and your assets will synchronise automatically with your PebblePad account whenever you next have an internet connection.

PebblePocket – Apps on Google Play
Although a scientific topic, "A Rock in my Pocket" is also a delightful romp through the history of the earth. I highly recommend this book for any child who thinks soil is dirty, and even for those who think it is cool. In addition, Hooper's book "A Drop in my Drink" deals with water in the same manner.
